Shade & Texture Index

ChromaCode has a shade variation of V2.

V1

V2

V3

V4

V1 Uniform appearance

V2 Slight Variation

V3 Moderate Variation

This porcelain tile product is produced with a V2 variation. Expect that the amount of color and texture on each piece may vary slightly. Inspect the product upon delivery and for best results, blend tile from several cartons during installation.

Recommended Uses

ChromaCode is recommended for interior floors, walls, counter tops and exterior walls in both residential and commercial applications. **If an offset pattern is required for tiles 18 inches or longer, Crossville recommends an offset of not greater than 33%.**

Easy-Clean Surface

This Crossville porcelain tile includes a proprietary surface finish that imparts a subtle glow, enhancing the color of the tile and allowing many stains and scuff marks to be easily wiped off the surface. This extraordinary finish helps keep your living areas looking their best.
