

18" RV 50 Amp 14-50P Male to 30 Amp TT-30R

Female Dogbone Adapter

The dogbone-style adapter offers a safe, comfortable grip when connecting to the park power post.

It also makes removal easier with less pulling and stress on the cord and plug.

Handles are molded and made of heavy-duty polyvinyl plastic.

180 degree turn from male end to female end reduces stress.
