02 First plug your Connect V2 WIFI bridge into an outlet so it can prime for the pairing process. For optimal connection, outlet should be within 10-15 ft of your Alfred Smart lock.

03 Next sign in to your Alfred Home App on your mobile device. Tap the Icon in the top right corner of the app, and then select "Alfred Connect". Here is where you will be asked to scan the attached QR code for pairing.

Reset Process

Network reset:
Hold "Reset button" 4 seconds.

Hub Reset:
Hold "Reset button" 9 seconds.

Voice Assistant Setup

For both Hey Google and Alexa voice assistant setup, please follow linking procedures within your voice assistant of choice App to complete the setup process. This is NOT done within the Alfred Home App.
