

Van Zyverden's
TRITOMA TOP CHOICE MIXTURE

Red Hot Poker produces striking, bold colored flowers atop tall stems. Perennial gardeners often use them as big focal points in the garden. Easy to grow and a great choice for a beginner gardener. It is a tremendous favorite of hummingbirds and butterflies. It is an excellent exotic pollinator choice. Sword-shaped, semi-evergreen, green coarse leaves. Easy to grow tough plants.

*Jump start your spring/summer
perennial garden*

*Commonly known as Red Hot Poker
or Tritoma*

Upright clump-forming perennial

About This Variety: Plants are native to the mountainous areas in southern tropical Africa. This newer cultivar is commercially propagated by growers in The Netherlands. Never collected from the wild.

Growing Instructions: This plant grows well in average, medium moisture, well drained soils, but intolerant of wet soils. Loves full sun. Locate in areas protected from the wind. Remove spent flower spikes.

Care Tip: Once established do not move the plant. After flowering they are not much to look at, so cut down the stalk and the foliage by about 50%, and it's sure to return next season.

Exposure: Full Sun

Height: Grows 22-32" tall

Spacing: Plant 24" apart, 1.5-2" deep

USDA Zones: hardy in USDA zones 6-9

Guaranteed to grow 1 year from purchase if directions are followed. Any concerns related to quality and/or counts feel free to contact us.
