

FRASER HILL FARM®

Downswept Farmhouse Fir Accent Tree

Fraser Hill Farm's Downswept Farmhouse Fir artificial accent Christmas tree features angled, lifelike foliage, and an all-metal hinged branch construction for strength and durability. Each model is specially crafted using the finest materials to not only look realistic, but to provide you with many seasons of use and enjoyment as well.

The tree needles are constructed out of non-allergenic and flame-retardant materials then painted multiple hues of green so no two are exactly alike. A burlap bag is wrapped around the base for a rustic, freshly cut look. These details create the look of a natural tree that requires hardly any maintenance. With the Farmhouse Fir Christmas tree, simply unfold out of storage and decorate!
