UPC:908053

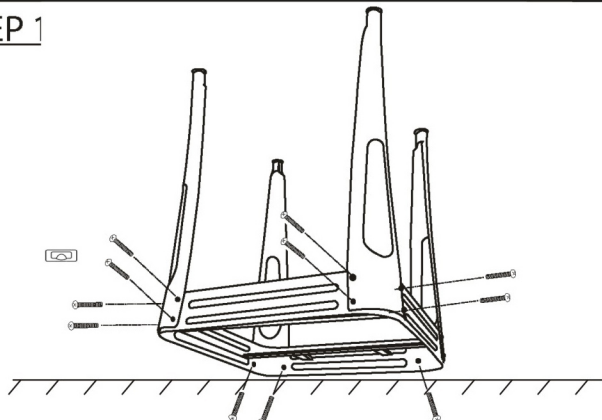

Parts and Hardware List	
①	②
 X 1PC	 X 1PC
③	A
 X 4PCS	 M4X10MM X20PCS (Includes 4 PCS Spare)

Tools Required:

#2 Philips Screwdriver (Not Included)

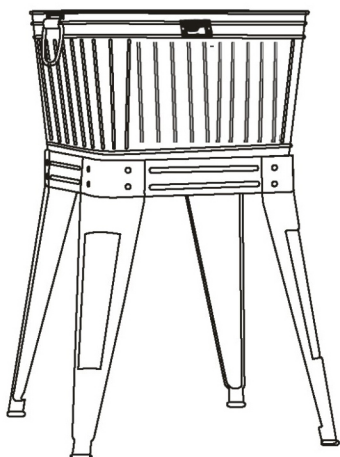

### STEP 1

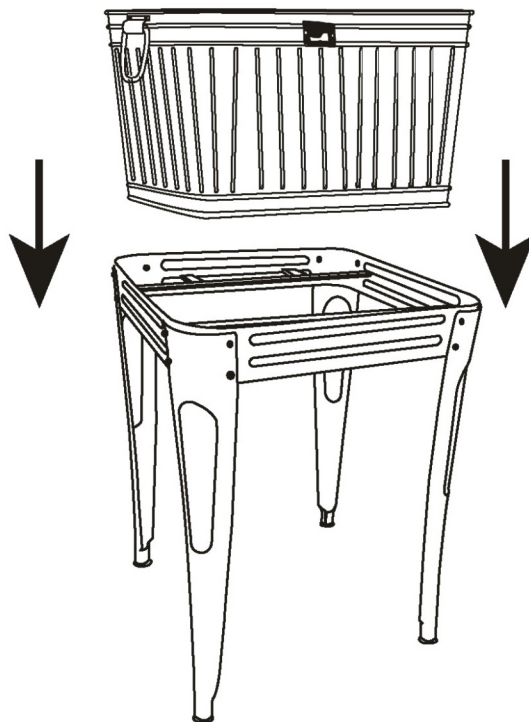

\*Important – Please Turn the Square Part of the Frame Upside Down on a table Before Assembling. You Will Want the Leg you are Assembling to be Facing Up in the Air Towards You.

- 1.) First line up the 4 holes on the leg with the 4 hole on the top frame
- 2.) Fix the two screws into one leg with screwdriver. Choose holes that are diagonal from each other.
- 3.) Fix another two screws on the second diagonal.
- 4.) Install other legs in turn as described above.

### FINAL

### STEP 2

### Care Instructions:

Empty water when not in use, leave drain plug out, wipe clean and air dry.

Properly store in a clean dry location.
