

## **Elevating Your Home's Aesthetic with Quality Doors**

### **Using Your Homestead Slab Door**

Homestead's Panel Unfinished Wood Door presents a fusion of sturdy wood with flexible use to add that touch of class to enhance your home. Crafted from premium pine wood, it showcases a beautiful grain pattern that highlights its natural beauty. The door's unfinished surface allows you to customize it to match your personal style and home décor, whether you prefer a classic stain or a bold paint color. Perfect for interior use, this door combines durability with timeless design, making it an ideal choice for any home renovation or new construction project.

#### **Key Features:**

- The door has a natural wood grain pattern.
- The door is trimmable up to ¼ inch.
- The unfinished surface of the door allows for personalized staining or painting to match your home décor.
- Add your own hardware; hardware is not included.
- The door is available in common door sizes, ensuring compatibility with most door frames.
- The door is made from high-quality pine wood, offering strength and durability
