## GARBAGE DISPOSAL

AZUNI® sinks have on standard 3 1/2" drain opening that can fit any garbage disposal unit. The sink structure is well designed to withstand any heavy garbage disposal unit.

## WARRANTY

This product is covered by a limited lifetime warranty. Consult our website for complete details.

## PRODUCT CARE

Rinse and dry your sink with a clean soft cloth, working with, not a cross, the grain. We recommend the use of a mild solution of water and vinegar to remove any mineral deposits that may have built up on your sink. Use mild non-abrasive liquid cream cleaners that do not contain chlorine, sodium hypochlorite or hydrochloric acid to help maintain the original appearance of your sink. Ensure that you thoroughly rinse your sink and wipe it dry. We recommend the use of a stainless steel grid that fits inside the bottom of the sink bowl and protect the sink from scratches.
