STYLE MEET STORAGE

It shouldn't take you five minutes to find the mustard. With adjustable, slide-out shelving, gallon-size door baskets, and multiple drawers — our side-by-side refrigerators give you incredible organization, so you can find just what you need in a snap. Plus, they come with sophisticated LG styling and features like IcePlus™, an intuitive LED display, contoured doors, and Digital Temperature Controls to help keep your food fresher than ever.

Large Capacity

Get more space for groceries in a great feature-packed refrigerator. Nothing beats the convenience of having more food when you need it, and with a generous 27 cu. ft. of space, you'll have room and room to grow.

Digital Temperature Controls

This technology helps maintain optimal humidity and temperature levels so your food stays fresher, longer. Digital sensors constantly monitor conditions within the refrigerator to keep things cool.

Interior LED Lighting

Bright LED lighting on the rear of the refrigerator give you excellent light every time you look in the fridge. And they're not just convenient — they save energy, too.
