

MAKINEX®

Surface Preparation Concrete Grinder

A robust tool for grinding, polishing, and finishing concrete surfaces.

Ergonomically 2-handed
Control for Constant Pressure

Economical and
Robust

Compatible with 180mm
diamond or resin discs

The Makinex Concrete Grinder is a robust tool; it is your go-to for grinding, polishing, and finishing concrete surfaces, offering exceptional adaptability. This grinder excels in leveling floors and with its removable magnetic shroud ensures flawless edge grinding. CE certified and equipped with power-off and overloading protections, it's a reliable choice. The outlet port accommodates vacuum attachment, maintaining a clean environment. Compatible with standard 7 inch diamond or resin grinding discs, this tool effortlessly removes surface coatings like epoxy and paint from concrete floors.
