

CHIP REPAIR KIT INSTRUCTIONS

IMPORTANT:

Please read through the instructions carefully before using this product

Supplies Included

- Chip Filler
- Cream Hardener
- Applicator Brush
- Gloves
- Repair Paint (Optional)
- Sandpaper (120 grit)
- Alcohol Wipe
- Stir Stick
- Instructions (with Safety Warnings)

Chip Repair Application

STEP 1: Pick or Dremal® away loose matter from edges with sharp-edged utility knife.

STEP 2: Mix three (3) parts **Chip Filler** with one (1) part **Cream Hardener**. Stir mixture well using **stir stick**.

NOTE: Patch must be used within **2 minutes**. Patch will not respond to surface temperatures under **65°F**. Mix only what is needed, any remaining product may be saved for later use.

STEP 3: Liberally apply patch compound to repair area with stir stick or razor blade. Using a heat gun or blow dryer will speed dry times.

STEP 4: Once area has completed its cure, it should be hard to the touch. Sand area, wet or dry, with **sandpaper** until flush with surrounding areas. Repeat steps 2 & 3 if necessary.

Repair Paint Application

NOTE: If you are refinishing the full tub/sink and you have purchased one of our Bathworks® Premium, Standard, or Sink Refinishing Kits, you will not need to perform the following steps. You may now proceed with refinishing your surfaces by following the instructions provided within your other kit. Otherwise, proceed with the touch-up paint steps below.

STEP 1: Wipe the repair & surrounding area clean with provided **alcohol wipe**.

STEP 2: Shake **repair paint** thoroughly. Carefully remove cap. Using **applicator brush**, dip into paint container. Lightly stroke & feather edges. Replace cap after use, and clean applicator brush with Xylene or similar cleaning agent.

NOTE: Must dry **24 hours** before use.

LIMITED WARRANTY

Tub Refinishing, Inc. DBA Munro Products as follows; this warranty is in lieu of all other written or unwritten, expressed, or implied warranties, and Tub Refinishing, Inc. DBA Munro Products expressly disclaims any warranty of merchantability or fitness for a particular purpose. The buyer assumes all risks whatsoever as to the use of the material. Keep away from children, animals, or persons that are sensitive to paint or fumes. Fumes can be harmful to humans and animals, and can also be flammable.

SAFETY

A protective respirator should be worn if available. Use product with adequate ventilation. Always use rubber gloves. Tub Refinishing, Inc. DBA Munro Products is not responsible for accidents or misuse of these products or parts and materials of this kit. Safety is in the hands of the user. Keep all refinishing kit materials and tools away from children, animals, and individuals sensitive to paint or fumes. Some items in this kit are flammable and should be disposed of properly in accordance to local state, city, & town codes regulating used paint products. Use all paint products with caution. **DO NOT** dispose of paint or clean tools by using water and flushing down household drains - these are solvent-borne products and may potentially damage pipes & the environment. Use **Xylene** or comparable cleaner for cleaning tools & spills. Xylene is capable of permanently damaging surfaces such as linoleum, plastic, wood, and previously painted surfaces. Never use xylene on skin and use gloves & eyewear while using. If you are unsure about the use or safety of this product, please return the unopened and unused kits to the supplier. All returned goods are at the purchaser's cost. Opened or used materials will be refused for credit.

See all **Safety Data Sheets** (SDS) which are available via our website: **bath-works.net**

SUITABILITY FOR USE

The user is responsible for establishing that these products are suitable for the user's application and that all requirements for meeting approvals, standards, codes, disposal, use, and regulations of any kind are satisfied. Distributor denies any responsibility for establishing suitability of use; where, when, and how the materials from this kit are used. Read all information and instruction before use of this product. Use caution.
