Cooking fumes aren't just unpleasant; they're also potentially hazardous to your health. They contain over 200 harmful gases and include 2 chemical compounds, which are known carcinogens.

SLEEK DESIGN WITH CANOPY STYLE:

Love wall-mounted range hoods? You can't find a better design than this canopy style. It maximizes wall space and brings a modern touch while matching every style.

MODERN GLASS FRONT PANEL IN ONYX BLACK:

The glass front panel adds a touch of contrast to the wall hood.

IDEAL LIGHTING WITH LED BULBS:

Think LED means reduced lighting? Not with our range hood! These lights conserve energy while providing the perfect illumination for your latest taste creation.

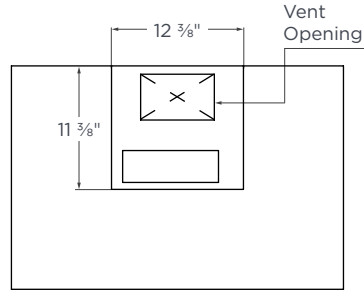

WORKS WITH HIGH CEILINGS:

The cooktop vent hood fits kitchens with up to 10-foot ceilings with our extension (CHE017, sold separately).

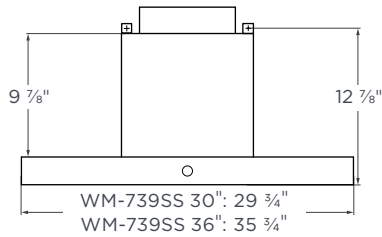

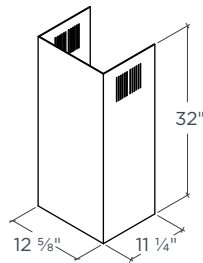

EASILY CONVERT TO DUCTLESS:

This range hood fits 6" duct or convert to ductless with our effective charcoal filters (CFI010, sold separately). These filters trap grease particles from fumes and deodorize cooking smells.
