

ULTIMATE STORAGE FLEXIBILITY

13.8 Cu. Ft. Upright Freezer

MRU14F2AWW

Midea Convertible Upright Freezers are perfect for storing food purchased in bulk, saving you trips to the grocery store while freeing up space in your kitchen fridge/freezer. With versatile, 2-in-1 convenience, you can convert the freezer to a refrigerator and back again with a single touch on the interior electronic control panel. An automatic defrost feature keeps the unit and your food frost free. High-quality insulation and sealing technology make it perfect for the garage, basement or other non-climate controlled storage areas.

Converts to a Refrigerator

The perfect food/beverage storage option with 2-in-1 freezer or refrigerator convenience. Simply convert the unit to a fridge or freezer via the LCD panel to match your seasonal food/beverage storage needs.

LED Interior Light

An LED interior light provides maximum visibility while consuming less energy.

Garage Ready

Maintains stable and consistent temperature under extreme ambient temperatures— from 0°F to 110°F.

Frost-free Convenience

An auto defrost feature keeps the freezer in peak operating condition without the hassle of manually defrosting.
