ASSEMBLY INSTRUCTIONS

CONFERENCE TABLE NCT8442 NCT6834

STEP 1

With the **Table Top Pieces (A)** laying face down, line up pins with their coordinating holes and press together in to place.

Note: You may need to tap in to place with a rubber mallet.

STEP 2

Attach **Brackets (D)** to the assembled **Table Top (A)** by lining up EClips with their coordinating holes pressing down in to place, and then tapping towards the center of the table. See *Figure 1* for details.

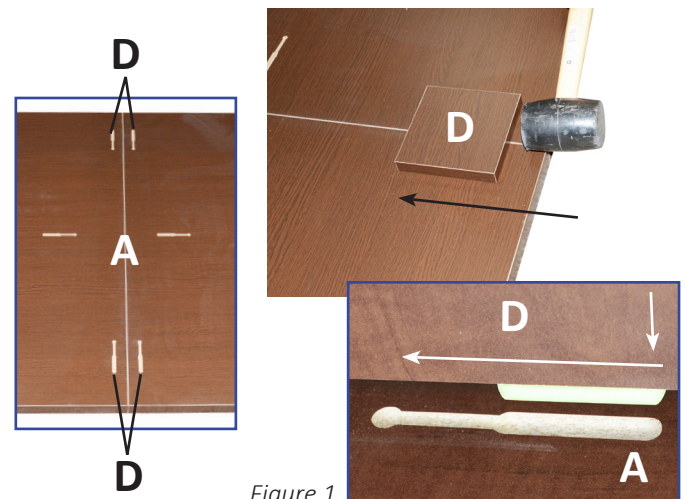

Figure 1

Note: You may need to tap in to place with a rubber mallet.

STEP 3

Attach **Stringer (C)** by lining up EClips with coordinating holes on the assembled **Table Top (A)**, pressing down and over in to place. See *Figure 2* for details.

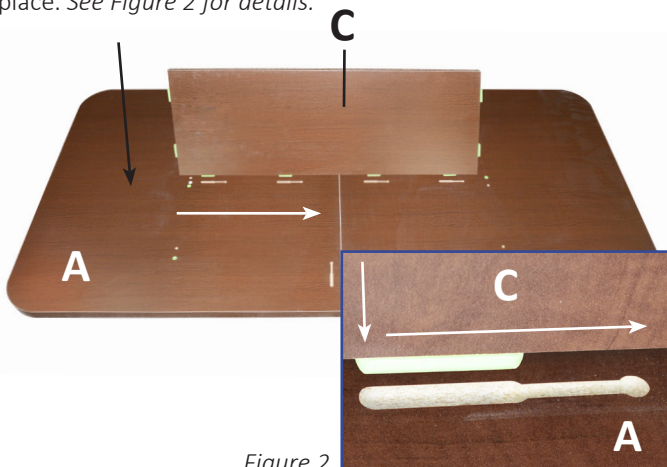

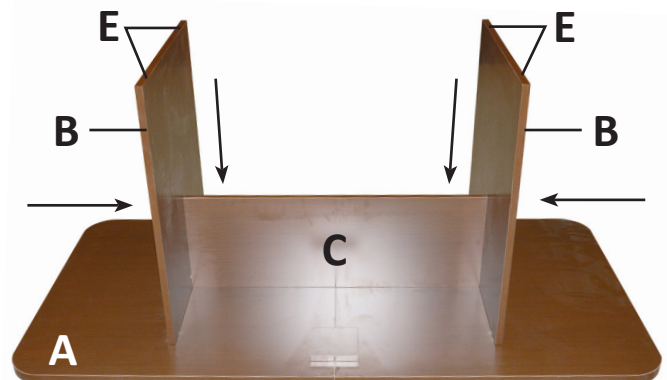

Figure 2

STEP 4

Attach both **Legs (B)** by lining up holes with coordinating EClips on the sides of the **Stringer (C)** and lining up pins with coordinating holes on the **Table Top (A)**. Press downward to lock into place. Finally, insert **Glides (E)** into predrilled holes on bottom of both **Legs (B)**.

Note: Fit will be snug, you may need to tap in to place with a rubber mallet. Use two people to flip the table over once assembled.
