

# Haunted Hill Farm®

Enter, if you dare, into the horrifying world of Haunted Hill Farm. Be afraid. Be very afraid of our Scary Circus Clowns Collection. These trouble-making pranksters are just what you need to turn your home into the scariest house on the block.

According to Heckle and Hide, two heads are better than one, especially if one of those heads is a hidden alter ego. Heckle's head pops up with a loud, piercing scream, revealing Hide's monstrous face hidden below, their red LED eyes glowing in the dark with a vengeance. Creepy music and spooky noises echo in the night as Hide's head slowly retracts into Heckle's body. Terrifying! This devious duo will freeze any visitor's funny bone.
