

FIND THE GE FILTER THAT FITS

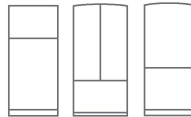

MWF FILTER

The MWF filter is found in GE side-by-side and French-door bottom-freezer refrigerators.

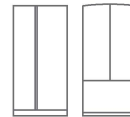

GSWF FILTER

The GSWF filter is found in GE top-freezer, French-door bottom-freezer and swing-door bottom-freezer refrigerators.

MSWF FILTER

The MSWF filter is found in GE side-by-side and French-door bottom-freezer refrigerators.

RPWF FILTER

This premium filter is found in GE French-door bottom-freezer refrigerators beginning in 2012.

Review the Owner's Manual or existing filter to ensure you're purchasing the correct filter as filters vary by model and year produced. See filter box for quick, easy installation instructions. GE filters are made exclusively for GE branded refrigerators.
