- Wood
- Metal
- Drywall
- Plastic
- Concrete
- Masonry

PACKAGING OPTIONS

Available In 1 LB
Small Plastic Box

ONE Screws replace standard wood, sheet metal, and concrete/masonry screws with a single, high-performance fastener. Now featuring a black epoxy coating, these screws support the growing trend of black fasteners in pergolas, fencing, and outdoor structures, offering durability and versatility for various projects.

Item #	Size	Head Type	Drive Size	PC Count	Package Type	Finish	Rec. Application
116976	#6 x 1"	Flat	T15	320	1LB Small Plastic Box	Black Epoxy Exterior Coating	Wood, Metal, Drywall, & Plastic
116977	#8 x 1-1/4"	Flat	T20	194			Wood, Metal, Drywall, Plastic, Concrete, & Masonry
116978	#8 x 1-1/2"	Flat	T20	164			
116979	#8 x 2"	Flat	T20	126			
116980	#8 x 2-1/2"	Flat	T20	91			
116981	#10 x 1-1/4"	Flat	T25	145
