

A Safety Data Sheet (SDS) is currently not available for this product for one of the following reasons:

- The product does NOT meet the definition of a hazardous chemical by the Occupational Safety & Health Administration (OSHA).
- The product is classified as an article by the Occupational Safety & Health Administration (OSHA).
- The manufacturer or vendor states that the product does NOT require or have a Safety Data Sheet (SDS).
- If you believe this information is incorrect, please contact Infotrac at 1-800-535-5053.
