Installation

Floor Anchoring

When a new layer of flooring is applied, reduced installation height can occur. To reduce a Frigidaire dishwasher to a 33-1/2' installation height, remove the countertop anchoring clips from the dishwasher frame and mount to the floor with 1/4" lag screws (not included) through the holes provided in the dishwasher frame. Use expansion fasteners if floor is concrete (see illustration).

	Exterior Dimensions				
Model	Height		Width	Depth	Total Depth
Size	Min.	Max.		With Door	90° Open
