

Slim Proflex Impact-Rated Bit Set, Phillips #2 and TORX® #25, 20-Piece

Klein Tools 20-Piece Slim PH2 and T25 ProFlex Impact Bit Set focuses on the most commonly used fastener types. S2 steel construction with ProFlex torsion zone technology absorbs torque to prevent breakage. The ultra-slim MODbox™ compatible case saves space without sacrificing capacity. Purpose-built for professionals who demand reliable performance in high-torque applications.
