Allen wrench
/Clé Allen

EN Make sure all tenon and mortise joints fit snug.
Only use pressure or a rubber mallet to apply pressure.
Do not use a hammer directly against the wood.

FR Veillez à ce que tous les joints à tenon et à mortaise soient bien ajustés.
N'utilisez que la pression ou un maillet en caoutchouc pour appliquer la pression.
N'utilisez pas de marteau directement contre le bois.
