

## **Home MMA Interlocking Foam Floor Mats 10 Pack Maintenance**

SKU: HMMA22XXXX10

### **Cleaning Instructions**

Clean mats regularly with a vacuum. Please first test your vacuum on the dense foam mats to make sure your vacuum does not damage the mats.

As necessary, damp mop the mats with basic household soap and hot water. Do not use bleach. Spot cleaning can be achieved by using a scrubby and a sponge.

Mats can be taken up and cleaned inside or outside and then put back down when dry. The mats will not absorb any water.

For larger commercial areas we recommend using a walk behind auto cleaning machine for regular maintenance.
