Important

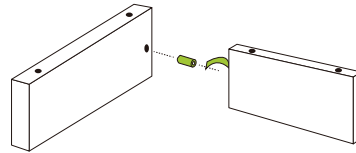

↑
THIS SIDE UP

DO NOT place unit on its side or back as it will compromise its structural integrity.

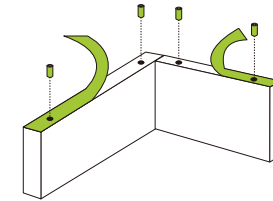

- Assemble your unit on a flat even surface, carpet not recommended
- Furniture is for indoor use only

- When moving your Way Basics furniture, lift from the bottom
- Make sure zBoard surfaces are clean and dry

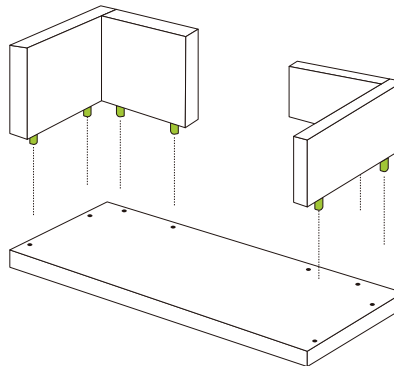

1

Carefully remove the 3M protective layer, insert alignment pin to connect back and side zBoards.

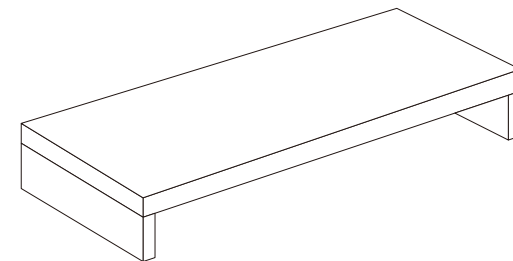

2

Carefully remove the rest of the 3M protective layers. Place alignment pins in vertical zBoards.

3

Connect the horizontal zBoard with the assembled back and side zBoards.

4

Easy, done! Maximum weight capacity 30 pounds. Visit links below for more details. Enjoy building possibilities!
