

FRASER HILL FARM®

Mission Ridge Collection

The Mission Ridge artificial Christmas tree from Fraser Hill Farm features a natural silhouette with extremely lifelike foliage and all-metal hinged branch construction. Fraser Hill Farm produces the most realistic trees on the market, featuring all the long-term benefits that come with owning an artificial tree. The tree needles are constructed out of non-allergenic and flame-retardant materials. The multiple hues of green allows for a truly unique collection.

The EZ Connect feature makes assembly a breeze by auto locking each tier securely into place. Leave your old tangled string lights behind this year. Simply unfold out of storage, fluff and decorate! This model is prestrung with multi-colored LED bulbs that feature 8 light modes. Designed to last, the Mission Ridge tree is sure to provide more convenience and ease to your holiday season, year after year.

- Metal hinged branch construction
- Flame-retardant and non-allergenic materials
