COH-400 Perfect Position Propane Patio Heater

An Overhead Heater Like No Other!

NEW
For
2021!

- SWIVEL DESIGN:** Adjustable arm directs the heat where you need it most
- STAINLESS STEEL TABLE:** Built in drink table adds even more functionality and style to the unit
- HIDDEN TANK:** Enclosed base hides 20lb propane tank
- FUEL EFFICIENT:** 38,200 BTUs, produces the same amount of heat as a 40,000 BTU burner, but heats longer
- WHEELS FOR MOBILITY:** Easily roll the heater from one spot to the other, allowing you to bring the warmth to wherever you are sitting
- WEIGHTED BASE:** No need to fill the base with sand or water, this unit comes ready to use
