16 Million Colors

Tunable White

**NO HOUSING
REQUIRED**
Repositionable driver j-box included

HALO Smart Wi-Fi® lighting delivers unexpectedly easy setup and control via the WiZ app using your existing wi-fi for smart control at home, away, or with your favorite smart speaker. Enliven any room with millions of colors or tunable whites with lighting scenes from candlelight to party mode.

These Recessed Baffle Canless LED Downlights mount directly to ceilings and provide bright general area downlighting with a remote junction box for fast wiring and installation.

Product Features

- Round 4" & 6" Smart Wi-Fi® Canless LED Downlights suitable for remodel and new construction installations (For new construction, install with canless mounting frames/plates)
- White tuning (2200K - 6500K) + 16 million colors + wireless dimming to 5% (120V input) all via the WiZ App; 90+ CRI (do not use with standard dimmers)
- Set schedules, scenes, static/dynamic lighting modes, rhythms, music sync, and SpaceSense™ technology that turns your lights into motion sensors, so they turn on with movement
- Configure and control lighting quickly with the WiZ App over Wi-Fi®
- Pro Installers can use the WiZ Pro Setup App to manage multiple projects, pair over Bluetooth, and access advanced features in the WiZ Pro Dashboard
- Lens & Trim: Recessed baffle trim, curved diffuse lens for low-glare, even illumination
- Brightness (Lumens): 1000 or 1200 lm (nominal)
- Meets AIR-TITE and code compliance for additional energy savings
- Life: 50,000 hrs of maintenance-free operation in damp or wet locations
- 5-year warranty

Accessories – New Construction Mounting Frames/Plates (order separately)

Ensure the proper placement and alignment of canless LED downlights in new construction applications. Mounting frames feature adjustable hanger bars, Got Nail™ captive pre-installed nails, and integrated thumb screws for holding canless junction boxes in place to meet code requirements during rough-in wiring.

Catalog Number	Description
MF4RC	4" Round Mounting Frame with 1/2" Drywall Collar
HL4RSMF	4" Round/Square Mounting Frame
SP346RS	3"/4"/6" Round/Square Smash Plate
MF6RC	6" Round Mounting Frame with 1/2" Drywall Collar
HL6RSMF	6" Round/Square Mounting Frame

Accessories – Fixture-to-Junction Box Extension Cable (order separately)

Use HALO Canless Extension Cables (plenum rated) in applications where junction boxes need to be installed further away from the fixture — either for convenience or to save on line-voltage wire. (Co-locating junction boxes makes adjustments and maintenance fast and easy.)

Catalog Number	Description
HLB06BLEEC	6-ft. extension cable
HLB12BLEEC	12-ft. extension cable
HLB20BLEEC	20-ft. extension cable

Accessories – RL-4" Decorative Trim Overlays (order separately)

Add a touch of style and personality to spaces with HALO Decorative Overlays by matching existing hardware or painted finishes. Refer to spec sheet for available overlays.
