

Boxwood Deer Topiary w/ LED Lights

Make a statement with Fraser Hill Farm's boxwood deer topiary statue. Featuring lifelike foliage and all-metal structure for strength and durability, this beautiful topiary is specially crafted using the finest materials to look realistic and provide you with many seasons of use and enjoyment.

The boxwood leaves are constructed from non-allergenic and flame-retardant materials, then painted multiple hues of green so no two are exactly alike. Together these details create the look of a natural boxwood bush that requires hardly any maintenance.

Prestrung with 175 warm white LED lights, use this Boxwood deer as a festive accent piece in any room or to complement your Christmas tree. If you love a classic boxwood but do not want the maintenance this is for you. Simply plug in and display - no clipping or watering required!

- All-season boxwood deer designed for Holiday or everyday use
- Lush and full with realistic leaves arranged nicely throughout
- Made with flame-retardant and non-allergenic materials
- Prestrung with 175 warm white LED lights and a generous 6-ft. cord
- For lasting beauty, indoor and covered outdoor use recommended
- Assembly required - instructions included
- 1 year limited warranty
