

INSTALLATION INSTRUCTION

Cautions:

Installation should be carried out by professionals. When cleaning and installing, please remember to cut off the power supply.

Appearance :

The diagram illustrates the installation of your new luminary. This is a representative drawing and is not intended to match the style of your luminary.

Assembly steps:

- (1) Make sure your desk lamp is not connected to the power socket.
- (2) Fix one end of ④ to ⑥, insert the other end into a nut and place it in ③.
- (3) Insert the bulb into ⑤.
- (4) Install the lampshade on ④ and secure it with ①.
- (5) Insert the power cord into the socket and turn on the lamp through the switch.
