

HAVEN CONNECT

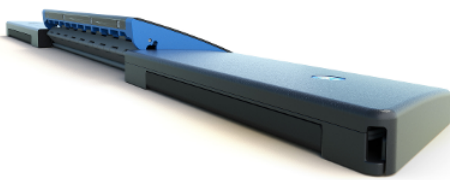

Bluetooth
Smart Lock

HAVEN Connect is the smarter, stronger door lock.
10x stronger than a deadbolt

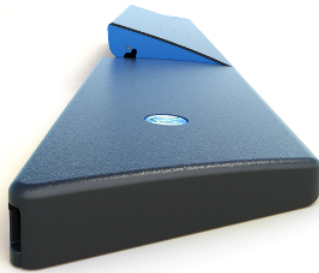

Bluetooth Smart Lock

Unique Design & Military Grade Materials

We designed HAVEN with the strongest military grade materials: steel, nylon, and industrial strength polycarbonates.

**Made in America by
Special Ops Vets**

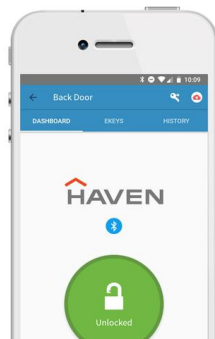

Easy to Use and Install

Multiple ways to control: smartphone app, key fob, and manual foot pedal

Control via Key Fob

Control your HAVEN with the Bluetooth key fob.

Total Control via Mobile App

Control your HAVEN via your smartphone and send digital keys to visitors while you are away.

Control from Anywhere

HAVEN Hub will connect your lock to the internet allowing control from anywhere

The smarter, strong door lock
