1/4 in. Vinyl Locking Collars

Anillos de fijación de vinilo de (6,4 mm)

1/4 in. Vinyl Collars are used with the Landscape Stake Assemblies to lock the Misters into the 1/4 in. Vinyl Tubing.

Con 3 patrones diferentes en uno, este dispositivo riega gentilmente con una cobertura de 4 a 6 pies (de 1.2 a 1.8 m). Es ideal para regar parques, a lo largo de paredes y senderos.

- Keeps Misters from blowing out of the 1/4 in. Vinyl
- Perfect accessory to keep on hand for replacing lost parts

Begin by pushing
the Collar onto the
1/4in. Vinyl Tubing.

Finish by threading a
Mister into the end of
the Vinyl.

These 1/4 in. Vinyl Locking Collars are an essential part of the Mister Landscaper Stake Assembly. They ensure that Misters do not blow out under average pressure.

Con este convertidor, puede disminuir significativamente el consumo de agua debido a que los microaspersores, los goteros y las tuberías de goteo en línea riegan su jardín más eficazmente.
