

POLYETHYLENE TUBING

Precut Lengths

TECHNICAL DATA

DESCRIPTION:

Polyethylene tubing is a great choice for use as air and water lines. This tubing has strong resistance to chemicals, corrosion and impact. The tubing can be cut down to length for a great fit. Taste and odorless

TECHNICAL SPECIFICATIONS:

Material - Low Density Polyethylene

Color - White

Operating Temp Range - -42°F to 125°F

Toxicity - Non-toxic FDA compliant Material

* The wetted surface of this product contacted by consumable water contains less than one quarter of one percent (0.25%) of lead by weight.

APPLICATIONS:

Food and beverage lines
Potable water
Hospitals
OEM machines
Chemical processing
Feed lines
Laboratory lines

RESISTANCES:

Solvents
Acids
Alkalis
Fuels

MADE IN: China
