

## LIMITED WARRANTY

Mid America Outdoor Supply (MAOS) carries a limited one-year warranty to the original owner of our products.

Within a 30-day period, MAOS will repair or replace, at MAOS's discretion, any parts found to be missing from or damaged in the original packaging. MAOS can only replace the defective part out of a manufacturer's defect and not a seasonal check. Photographs are required for this claim. After the first 30 days, shipping and handling fees will apply.

Under this warranty, there will be a replacement for the defective component of the Garden Bed. All parts are covered by a one-year warranty. This guarantee is effective only if the product has been assembled and maintained in accordance with the instructions. This warranty does not cover the cost of labor, expedited freight, commercial use, abuse, accident, modification, the addition of any accessories not sold by MAOS, cosmetic issues such as fading or scratches from normal wear, or any other cause not arising from defects in material and product. Minor wood checks, cracks, and surface cracks are all-natural characteristics of wood and do not affect the structural integrity, and are not covered under warranty.
