

## TSPS370

### 350W Oscillating Tilting Table Spindle Sander 380mm

Dual-action rotating and vertically oscillating spindle for fast sanding and improved work rate. 0 - 45° tilting table for easy chamfering and edge work. 5 x sanding sleeves from 14 - 51mm (1/2 - 2") diameter provide maximum versatility with intricate, shaped workpieces. Long-life 350W induction motor with sealed zero-maintenance bearings. On-board storage for all accessories. Vented table inserts and under-table dust extraction channel. Easy bench mounting or freestanding operation. Simple 0° and 45° calibration. Supplied with 6 x table inserts, 5 x drum washers, 4 x drums, 5 x sleeves and 2 x accessory storage units.

**Model:** TSPS370  
**Product:** 707353  
**Brand:** TRITON  
**Region:** United States  
**Category:** Bench Top  
**Sub Category:** Spindle Sanders  
**Version No:** V.3.1  
**Version Date:** 14/01/2019

### Product Specification

|                                       |   |
|---------------------------------------|---|
| Product Height                        | 480mm/ 19"  |
| Product Length                        | 381mm/ 15"  |
| Product Width                         | 381mm/ 15"  |
| Product Weight                        | 14kg/ 30.86lb   |
| Voltage                               | 120V  |
| No Load Speed                         | 1722rpm   |
| Electrical Class                      | Class I   |
| Wattage                               | 350W  |
| AC or DC Powered                      | AC  |
| General Product Safety QC Question 01 | Are there any sharp edges? If yes please give details   |
| General Product Safety QC Question 02 | Does the product give you any safety concern? If yes please give details  |
| General Product Safety QC Question 03 | Function - Does the product do what it is intended to do? If no please give details   |
| General Product Safety QC Question 04 | Size - Is the product size and shape it was specified to be? If no please give details  |
| General Product Safety QC Question 05 | Full contents - Are all the parts present? If no, please specify what's missing   |
