

22" AWD 3-in-1 Mower

Self-propelled / SELECT PACE™ Variable Speed

YG2960

Get the Right Drive for Any Terrain

The YARDMAX 22" 3-in-1 All-Wheel Drive (AWD) Self Propelled Lawn Mower easily adapt to any lawn condition and intuitively guide the mower across all terrains by choosing from front wheel, rear wheel or 4 wheels drive. Equipped with a powerful and easy start 201cc OHV YARDMAX engine with automatic choke system, it will deliver a high-performance mowing experience with no priming or choking required. This mower features exclusive and industry-leading continuously variable transmission (CVT) offering superior speed variability to keep the mowing at a suitable and a comfortable pace, adapting to your walking speed. With a 3-in 1 cutting deck, mulch, side discharge or rear bag to dispose of grass clippings. Treat yourself to a mower that has all the best features and maintain a clean and neatly cut lawn season after season.

FEATURES & BENEFITS

- Variable drive options let you adapt to your lawn condition, helping you intuitively guide the mower across all terrains
- Exclusive and industry-leading CVT (continuously variable transmission) offers superior speed variability to adjust the mower pace to your walking speed
- Starting made easier with the automatic choke system, no need to prime or choke the engine
- Exclusive rubber tires with aggressive spike tread pattern significantly increases overall traction and maneuverability
- Quickly clean the underside of the cutting deck with the deck cleanout port
- Single-lever deck adjustment for quickly setting your mow height
- Seven cutting heights from 1.38" to 3.55"
- Double ball bearing wheels for an easy and smooth rolling and an extended durability
- MAXFlow™ Deck Technology – volute spiral deck design for better airflow and mulching
- Heavy-duty, 16-gauge stamped steel deck
- Durable, one-piece seamless steel deck reduces vibration
- Large rear bag capacity
- Space saver, the entire mower can be compactly folded for storing in limited garage spaces
- Choose side discharge, mulching, or rear bagging
- 8" front & 11" rear wheels for stability and control
- Adjustable, durable 3-position handle height
- Fully assembled
