

Care and Cleaning

Upholstered Furniture

Do not put hot items directly on furniture surface.

Spot clean with warm water and mild soap, then blot with a soft, dry cloth.

Avoid using strong chemicals to clean your upholstered furniture.

Keep sharp objects away from your upholstered furniture.

Vacuum with an upholstery attachment to remove dust and dirt.

Place furniture away from sunlight, use window shades, blinds, or lined draperies can prevent sun damage.

Arrange furniture at least 20 inches away from any heating or air conditioning outlets.

Lift furniture when rearranging rather than dragging pieces.
