

# CARE TIPS AND GENERAL INFO FOR:

## HEATHER

---

### EXPOSURE:

PART SUN-FULL SUN

### POLLINATOR:

ATTRACTS BEES, BIRDS,  
AND BUTTERFLIES

### BLOOMTIME:

FALL BLOOMERS:  
Various colors bloom all  
fall on small mounding  
evergreen shrubs.

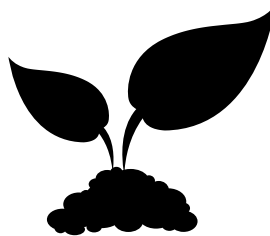

### WATERING NEEDS:

MODERATE

Heather does not like to be  
too wet or too dry.  
Keep the soil moist.

### SOIL TYPE:

WELL DRAINING SOIL

### FERTILIZER:

GRANULAR

At the time of plant and then  
twice a year, spring/mid-summer  
use a general time release  
granular fertilizer.
