

Remember how good your screens looked when they were new? Now, like magic they can look that good again without washing or scrubbing. Our special formula returns your screens to like new in minutes and then repels dust and UV rays to KEEP your screens looking like new. Just spray it on and you're done, no scrubbing, no streaks, it's like magic!

- ★ Repels dust
- ★ UV inhibitors
- ★ No scrubbing
- ★ No streaks
- ★ Takes only minutes
- ★ Returns screens to look like new

DIRECTIONS: 1. Remove screens from window. 2. You DO NOT need to rinse screens with water before applying Screen Magic but if you do, let the screens dry completely before applying Screen Magic. 3. Shake bottle well and make sure the nozzle is adjusted to the WIDEST SPRAY. Do not use indoors, over cement, asphalt, paint, furniture or carpet without a tarp. 4. Hold the sprayer 14" away from the screen and spray Screen Magic on both the front and back of the screen thoroughly. 5. Wipe excess off frame with a towel. Hint: For a more even finish use a microfiber towel to lightly wipe the front and back of the screen immediately after applying Screen Magic. To clean without removing screens soak a cloth with Screen Magic and wipe the screens.

Safe to use around pets, plants and grass.

ATTENTION : Use only as directed. Not for computer screens. **KEEP OUT OF REACH OF CHILDREN.** **HAZARD INFORMATION:** Contains no solvents phosphorus or petroleum distillates that can cause ozone-depletion. Non-toxic, non-flammable, inert and non-reactive. Exempt from federal VOC regulations including California CARB and OTC regulations. **DISPOSAL:** Offer empty container for recycling.
