Limited Residential Flooring Warranty – Cali Cork

Warranty Conditions and Term:

This limited warranty is given to (a) the original purchaser (the **“Original Purchaser”**) of the Flooring (defined below) from a Cali Bamboo retailer or dealer, and, (b) if the Original Purchaser is not the owner of the **Residential Building** (Residential Building shall refer to a single-family residential home) in which the Flooring is installed, to the owner of the Residential Building at the time of installation (the **“Original Owner”**) (the Original Purchaser and the Original Owner of the Flooring subject to this limited warranty are referred to as the **“Warranty Holder”**). Cali Bamboo LLC (**“Cali Bamboo”**) warrants that its Cali Cork floors, excluding moldings and/or accessories (the **“Flooring”**), during the applicable warranty periods set forth in subsections 1) through 3) below (each, a **“Warranty Period”**), will comply with the following:

- 1) The Flooring shall be free of manufacturing or material defects caused by improper milling or coating (**“Manufacturing Defects”**) under normal use for a period beginning on the date of purchase by the Original Purchaser (the **“Purchase Date”**) and ending on the earlier of (a) one year from the Purchase Date, and (b) the date on which the Flooring is installed (the **“Installation Date”**);
- 2) The Flooring will not delaminate for a period beginning on the Purchase Date and ending on the earlier of (a) 25 years from the Purchase Date under normal traffic and usage conditions, and (b) the date on which the Residential Building in which the Flooring is installed is sold by the Original Owner.
- 3) Under normal traffic and usage conditions, the surface finish will not wear through for a period beginning on the Purchase Date and ending on the earlier of (a) 25 years from the Purchase Date, and (b) the date on which the Residential Building in which the Flooring is installed is sold by Original Owner. The term “wear through” is defined as the 100% reduction of the surface wear layer over an area comprising 5% of the total surface of the Flooring.

This limited warranty does not cover Flooring donated, purchased on clearance center, or at auction.

Warranty Scope:

This limited warranty is not transferable by the Warranty Holder to any other party, including but not limited to a subsequent purchaser of the Residential Building in which the Flooring is installed.

If a valid warranty claim is received by Cali Bamboo within the applicable Warranty Period, Cali Bamboo will supply new materials of similar grade for repair or replacement of affected areas. Labor costs, including any expenses associated with installation and removal of defective Flooring, are not covered by this limited warranty. To the extent permitted by law, these are the sole and exclusive remedies of the Warranty Holder in the event of a Manufacturing Defect or other warranty claim.

How to Obtain Warranty Service:

The Warranty Holder must inspect the Flooring for Manufacturing Defects caused by improper milling and coating, and report any such defects to Cali Bamboo, prior to installation of the Flooring. To obtain warranty

service, the Warranty Holder must contact Cali Bamboo's Customer Experience Department: warrantyclaims@calibamboo.com / 888-788-2254. Warranty claims must be received within 30 calendar days after the Warranty Holder identifies the Manufacturing Defect or other basis for a warranty claim. To be covered under this Cali Bamboo limited warranty, the Warranty Holder must provide documentation of sales order and proof that the Flooring was properly installed in accordance with the Installation Guide (defined below).

Cali Bamboo reserves the right to retain a certified and independent flooring inspector to verify the Warranty Holder's warranty claims. The determination of the flooring inspector regarding the warranty claim is not binding on either Cali Bamboo or on Warranty Holder. A determination that does not verify the warranty claim shall not affect the Warranty Holder's right to submit its claim to arbitration in accordance with the terms of the Arbitration Agreement (as defined in Cali Bamboo's Terms and Conditions of Purchase). The performance of the inspection, however, if requested by Cali Bamboo and assuming that Cali Bamboo advances the full cost of the inspection as described above, is a requirement for the Warranty Holder to submit a warranty claim to arbitration under the Arbitration Agreement.
