EXPERIENCE POWER™

DCF510 **20V MAX* XR® BRUSHLESS** **3/8" & 1/2" SEALED HEAD RATCHET**

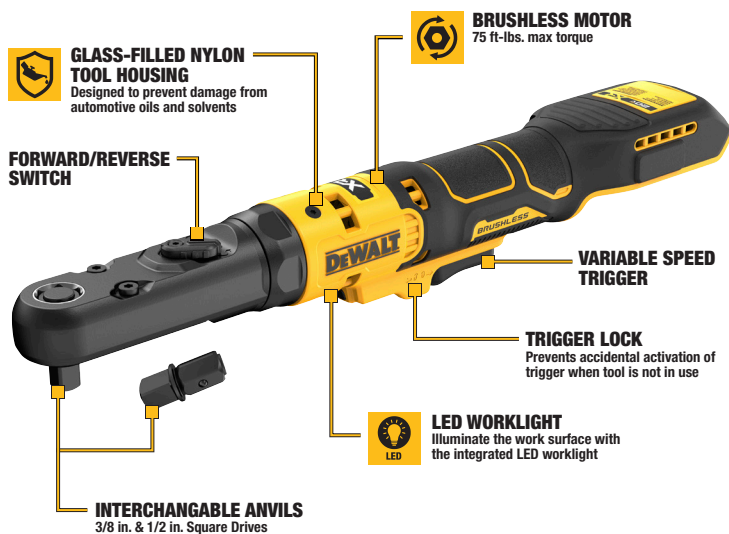

Engineered with the professional in mind, the 20V MAX* XR® Brushless 3/8" & 1/2" Sealed Head Ratchet has the power, versatility, and durability needed on the job. This cordless ratchet delivers 75 ft-lbs. of max torque and a no-load speed of 0-300 RPMs to fasten and remove stubborn nuts and bolts. The sealed head design and glass-filled nylon tool housing is designed to help prevent damage from automotive oils and solvents found on the job. Maximize versatility with the ability to quickly swap between interchangeable 3/8" and 1/2" square drive anvils for a variety of applications, as well as quickly change from forward to reverse for more efficient working. Brighten your workspace with the integrated LED light to get to those hard to reach fasteners.
