PLY GEM SHUTTERS, DESIGNER ACCENTS, MOUNTING BLOCKS & VENTS WARRANTY

Mastic Home Exteriors, Inc. manufactures Ply Gem Louvered, Raised Panel and Board and Batten Shutters, Vents, Mounts, Mantels and Door Surrounds (the “Products”) in accordance with high standards and tight quality controls. The products will not rust or corrode because they are made from special resins. The Products will be free from manufacturing defects which result in cracking or splitting.

WHAT DOES THIS WARRANTY COVER?

Mastic Home Exteriors, Inc. warrants to you, the owner of the property at the time the Products were installed, that the Products are free from defects in material and workmanship in the course of manufacture if installed according to our specifications.

LIMITED FADE WARRANTY

Mastic Home Exteriors, Inc. also warrants to you that for a limited period as specified, the Products will not excessively fade. “Excessive fading” is more than ‘normal fading’ (see next page) which is in excess of a Delta-E of seven Hunter Units for a period of seven years following the installation date, as determined by Mastic Home Exteriors, Inc. This Warranty is limited to the terms and conditions, exclusions and limitations, requirements and legal rights stated in this Warranty.

HOW LONG DOES THE COVERAGE LAST?

If you are an individual, this Limited Lifetime Warranty lasts for the life of the property on which the Products were originally applied (“Property”) for as long as you own the Property. If you are not an individual (e.g., you are a corporation, condominium, cooperative housing arrangement, unincorporated association, school, church, government or public entity, etc.), the warranty period will be 50 years from the date of original installation of the Products on the Property, prorated as outlined in the Warranty Coverage Schedule following. This Limited Lifetime Warranty may be transferred with the Property. However, upon the transfer, the warranty period will be no more than 50 years from the date of original installation of the Products on the Property, prorated in accordance with the Warranty Coverage Schedule following.

WHAT WILL WE DO?

You must notify us in accordance with the notice requirements outlined below and we must validate the complaint. Upon the notification and validation, we will undertake the following: At our sole option, we will either repair, replace, refinish or refund to you the value of the Products found to be defective (or prorated if this Warranty is transferred). Our obligations under this Warranty will in no event exceed the purchase price of the Products found to be defective. Any additional costs and expenses beyond these amounts are your responsibility, including labor. In the event of repair, replacement or refinishing under this Warranty, the Warranty applicable to the replacement material or to the repaired or refinished Products will extend only for the time remaining under the original Warranty.
