- ◆ Indicates compliance to ICC/ANSI A117.1

▲ Designate proper finish suffix

Spray Patterns

- ◆ Your Delta Faucet handshower incorporates a backflow protection system that has been tested to be in compliance with ASME A112.18.3 and ASME A112.18.1/CSA B125.1. It incorporates two certified check valves in series, which operate independently and are integral, non-serviceable parts of the wand assembly.

Delta reserves the right (1) to make changes in specifications and materials, and (2) to change or discontinue models, both without notice or obligation. Dimensions are for reference only. See current full-line price book or www.deltafaucet.com for finish options and product availability.
