

Sunbrella fabrics are the complete performance standard,
with best-in-class comfort, color retention, cleanability and strength that lasts.

Strength That Lasts

Sunbrella performance fabrics are engineered to last. The fibers are mold and mildew resistant, stain and water resistant, and designed to stand all the tests of time.

Sunbrella fabrics have strength that lasts.

**Abrasion
Resistant**

**Mold & Mildew
Resistant**

**Weather
Resistant**

Cleanability

Sunbrella performance fabrics are easy to clean while maintaining the strength and integrity of the fabric.

Sunbrella engineers performance into the core of each fiber, including stain-resistant technology.

Easy to Clean

Stain Resistant

Bleach Cleanable

Color Stability

Sunbrella performance fabrics are made of 100% solution-dyed acrylic. Sunbrella fabrics are inherently fade resistant, UV protective and durable to the core.

Fade Resistant

UV Protection

Comfort & Softness

Sunbrella yarns have softness and durability woven into each fiber, which makes Sunbrella performance fabrics perfect for creating comfortable spaces
