

## Black Sit or Stand Electric Desk

Elevate your entire work space to think on your feet with this modern standing desk from Hanover. Relieve yourself from uncomfortable chairs and sitting positions and improve your posture by making a commitment to stand more. Simply use the programmable motorized options and position it at the most ergonomically suitable height for your body and you'll be ready to rotate your sitting and standing time as you please. Also included is a child lock and anti-collision feature for safety and peace of mind. There is ample amount of space for at least 2 monitors on the desktop and you have bonus storage with the drawer attached. Prioritize your health while increasing your productivity with Hanover's standing desk series.
