

ROW HX TRAINER

1

ATTENTION TO DESIGN

The natural wood and tempered steel frame strike a balance between elegance and durability. The Row HX fits any decor and is a piece of exercise equipment that you can be proud to display.

2

EASY RESISTANCE ADJUSTMENT

Five resistance levels with auto-adjust: Level changes are automatically displayed on the monitor. Easy adjustments accommodate several users and allow users to challenge themselves with a variety of intensity.

3

NATURAL FEEL

The unique Fluid Technology resistance system delivers a smooth and natural feel, and provides consistent resistance throughout each rowing stroke.

4

TECH INTEGRATION

Connect to your Row HX Trainer console via Bluetooth® and track your progress with your favorite fitness apps. Also compatible with Polar® H7 and H10 heart rate monitors.

The Row HX™ Trainer is perfect for a low-impact, total-body workout at home. Its beautiful design makes it a great addition to any room. Fluid Technology resistance delivers a smooth and natural feel. The Row HX accommodates the whole family and offers premium performance from the convenience of your home.
