

Warranty & Return Policy

3-year Warranty

HiBoost warrants to the original purchaser that the products covered by this limited warranty statement conform to the manufacturer's specifications and will be free from defects in workmanship and materials for a period of three (3) year from the date of original purchase. For warranty service, you will need to provide proof of the date of original purchase.

Limitations of Warranty, Damages, and Liability

This warranty does not apply to any signal boosters or kits determined by HiBoost to have been subjected to tampering, misuse, abuse, loss, neglect, or mishandling that alters or damages physical or electronic properties.

HiBoost is not liable for any Signal Supervisor application network connectivity issues. The cell phone signal booster relies on a strong, continuous and reliable connection to the internet in order to communicate with the cell phone application. For all Signal Supervisor Application related issues, please check your network strength and call our technical support.

Failure to use a surge-protected AC power strip with at least a 1000 Joule rating will void your warranty. Damage caused by lightning is not covered by this warranty.

All HiBoost products that are packaged with other HiBoost accessory products are intended for resale and used as a single integrated system. Such product kits are required to be sold to the end-users or subsequent reseller as packaged.

Warranty Exchange, Repair Policy

- In case the customer chooses Product replacement or repair, the customer is in charge of delivery cost.

- In case of Product repair, technical specialists define repair period after defects checking and then inform the customer. Total period can't extend to more than 3 months after HiBoost receives the product.
- In case of Product replacement, technical specialists define new Product delivery period after defects checking and then inform the customer. Total period can't extend to more than 3 months after HiBoost receives the Product.
