

Large L-Shaped Sit or Stand Height- Adjustable Electric Desk

The Hanover L-shaped electric standing desk combines elegance with functionality to make your next step into the world of ergonomic working as easy as a click of a button. This spacious L-shaped desk can be customized to fit almost anyone using the sleek control panel with an easy-to-use two-button control for up and down settings.

Dialing in the perfect height has never been simpler for the person who wants to enjoy the benefits of a standing desk without the discomfort of having to lift the desk physically. The single motor functions smoothly with a limit of up to 110 pounds and is supported by a high-quality steel frame. Letting Hanover's electric standing desk do the heavy lifting helps you work smarter, not harder.
