Features to Consider

Material & Texture

Bath Mats come in many different materials and textures including vinyl, bubble, rubber, loofah, TPE and foam.

Suction Cups

Suction cups line the bottom of each Bath Mat to secure the mat in place.

Drain Holes

Bath Mats with drain holes make it easy for water to drain and for the bath mat to dry.

Antimicrobial

Microban® antimicrobial technology inhibits the growth and reproduction of odor-causing bacteria, mold and mildew and provides enhanced product protection from microbes.

Available Colors

Bath Mats are available in a variety of colors to complement your bathroom décor including Clear, White, Off White, Cream, Taupe, Gray and Blue

Installation & Care

Mat and Tub surfaces should be clean and free of soap or bath oil before each use. Wet floor of tub or shower for better suction. Place mat in desired position and press firmly to adhere suction cups to the surface. Not for textured surfaces.
