

Arranmore Lighting Warranties - Arranmore Lighting & Fans®

THREE YEAR LIMITED WARRANTY

If the fan motor or any other part fails at any time within three years of the original purchase, due to a defect in materials or workmanship, we will repair or replace, at our option, the defective part, free of charge.

Because of varying climate conditions, this warranty does not cover changes on the finish, including rusting, pitting, corroding, tarnishing or peeling. This includes coastal locations where salt air can cause corrosion.

We do not manufacture light bulbs, however we provide them with our fans as a convenience. Light bulbs are not included in the warranty coverage.

This warranty is void and does not apply to damage from improper installation, neglect, accident, misuse, exposure to extremes of heat or humidity, or as the result of any modification to the original product.

All costs of removal and re-installation of the fan are the sole responsibility of the owner of the fan and not the retailer that sold the fan or Arranmore Lighting Company, LLC.

Arranmore reserves the right to modify or discontinue any product at any time and may substitute any part under this warranty.

Under no circumstances may a fan be returned without prior authorization from Arranmore. The receipt of purchase must accompany authorized returns and must be sent freight prepaid to Arranmore.

The fan to be returned must be properly packed to avoid damage in transit; Arranmore will not be responsible for any damage resulting from improper packaging.

It is understood that any repair or replacement is the exclusive remedy available from Arranmore. There is no other expressed or implied warranty. Arranmore hereby disclaims any and all implied warranties, including, but not limited to those of merchantability and fitness for a particular purpose to the extent permitted by law.

Some states do not allow limitations on implied warranties. Arranmore will not be liable for incidental, consequential, or special damages arising out of or in conjunction with product use or performance, except as may otherwise be accorded by law. This warranty gives you special legal rights and you may also have other rights that vary from state to state.

A certain amount of wobble is normal and should not be considered a problem or a defect. Contact the Customer Service Team at Support@Arranmorelighting.com.
