Bluetooth control via app

Add Hue bridge to unlock more

59964/11/U5

## Easy smart lighting

Add a Hue White Ambiance 5/6-inch recessed downlight with warm-to-cool white light to give you the best light for your daily routines. Control instantly via Bluetooth in one room or pair with a Hue Bridge to unlock the full suite of smart lighting features. This stylish recessed downlight is easy to install in any E26 medium base recessed can.

### Easy smart lighting

- Control up to 10 lights with the Bluetooth app
- Control lights with your voice\*
- Set the right mood with warm to cool white light
- Get the perfect light recipes for your daily activities

# Highlights

## Control up to 10 lights with the Bluetooth app

Philips Hue with Bluetooth is the easiest way to get started with smart lighting. Set the mood instantly with Bluetooth-enabled light fixtures and the Hue Bluetooth app, which allows you to control up to 10 lights in a room.

## Set the right mood with warm to cool white light

These bulbs and light fixtures offer different shades of warm to cool white light. With complete dimmability from bright to low nightlights, you can tune your lights to the perfect shade and brightness of light for your daily needs.

## Control lights with your voice\*

Philips Hue works with Amazon Alexa and the Google Assistant when paired with a compatible Google Nest or Amazon Echo device. Simple voice commands allow you to control multiple lights in a room or just a single lamp.

## Get the perfect light recipes for your daily activities

Use the preset Philips Hue light recipes to fit your mood or activities throughout the day. Amp up the energy with the cool white light of the Energize light recipe in the morning or unwind with the subtle, soft light of Relax.

# Specifications
