VOLT® Low Voltage Landscape Lighting

VOLT® AZPL-PLKIT2

PRODUCT DESCRIPTION

This pathlight is a professional-grade low voltage (12V) outdoor pagoda path light that comes with a 3W LED G4 BiPin bulb and a mounting stake. This solid brass fixture is designed for outdoor use, with water and weather resistance in mind at all stages of its construction. This fixture has a 4-foot pre-stripped copper lead wire. This light is commonly used to light ground-level features like walkways, garden beds and patios. Made from high-quality brass, this fixture looks, feels and performs like a commercial-grade product despite its economical pricing.

PRODUCT DIMENSIONS

SPECIFICATIONS
